Technical Data Sheet

Dulux Avista Resurfacing Accelerator

Accelerator for speeding up drying time in cooler temperatures

Description

Clear liquid accelerator.

Uses

Used in Dulux Avista resurfacing systems.

Advantages

Speeding up set times in cooler temperatures

Properties

32% w/w Calcium Chloride solution

Specific Gravity:

1.33 g/cm³

Application Instructions

- 1. Add 350 to 500ml of Dulux Avista Resurfacing Accelerator to a clean bucket.
- 2. Add 3.25 to 3.5 litres of clean water .

- **3.** Add Dulux Avista Resurfacing Colour Oxide and mix thoroughly with a mechanical mixer.
- 4. Slowly add Dulux Avista Base Compound and mix for 3 mins once entire bag has been added.
- **5.** Can also be used with Dulux Avista Resurfacing Coloured Compound. Note: the less water added the quicker the cure

Limitations

- Do not exceed 500ml and keep water ratios to the minimum.
- To be used when the temperature is above 10°C but below 15°C during the application of the Resurfacing Compound.

Coverage

Maximum accelerator ratios will cover 8 bags, minimum 11 bags.

Storage conditions

Store in cool, dry area in unopened container.

Supply

FD578085-4L AVS RESURFACING ACCELERATOR 4L

Important notice

A Safety Data Sheet (SDS) and Technical Data Sheet (TDS) are available from the Dulux Avista website www.duluxavista.com.au. Read the SDS and TDS carefully prior to use as application or performance data may change from time to time. In an emergency, contact any Poisons Information Centre (Telephone 131 126 within Australia) or a doctor for advice.

Product disclaimer

This Technical Data Sheet (TDS) summarises our best knowledge of the product, including how to use and apply the product based on the information available at the time. You should read this TDS carefully and consider the information in the context of how the product will be used, including in conjunction with any other product and the type of surfaces to, and the manner in which, the product will be applied. Our responsibility for products sold is subject to our standard terms and conditions of sale. Dulux Avista does not accept any liability either directly or indirectly for any losses suffered in connection with the use or application of the product whether or not in accordance with any advice, specification, recommendation or information given by it.
