

Dulux Avista Solvent

General purpose solvent

Uses

Avista Solvent is useful in cleaning tools and equipment. It can also be used to dilute solvent based Avista sealers (see sealer TDS for details).

Advantages

- Excellent solubility
- Colourless
- Non-foaming

Properties

Colour	Clear
Chemical Nature:	Aromatic Hydrocarbon Solvent
Cas No:	1330-20-7
Flash Point (closed cup):	24°Celsius T.C.C.
Boiling Point:	137.5°C
Density @ 20°C:	0.87
Solubility in Water:	Immiscible
Explosive Limits:	Lower 1% - Upper 6%

Limitations

- Flammable
- Harmful material when used wrongly
- Not suitable for water based systems

Supply

278182-4L	AVS SOLVENT 4L
1278182- 10L	AVS SOLVENT 10L
278182- 20L	AVS SOLVENT 20L

Storage

Store in a cool, dry area and keep container sealed.

Important notice

A Safety Data Sheet (SDS) and Technical Data Sheet (TDS) are available from the Dulux Avista website www.duluxavista.com.au. Read the SDS and TDS carefully prior to use as application or performance data may change from time to time. In an emergency, contact any Poisons Information Centre (Telephone 131 126 within Australia) or a doctor for advice.

Product disclaimer

This Technical Data Sheet (TDS) summarises our best knowledge of the product, including how to use and apply the product based on the information available at the time. You should read this TDS carefully and consider the information in the context of how the product will be used, including in conjunction with any other product and the type of surfaces to, and the manner in which, the product will be applied. Our responsibility for products sold is subject to our standard terms and conditions of sale. Dulux Avista does not accept any liability either directly or indirectly for any losses suffered in connection with the use or application of the product whether or not in accordance with any advice, specification, recommendation or information given by it.
