

# Dulux Avista Concrete Sealer Colour Tint

## Colour tint for Dulux Avista Concrete Sealer Tintable Base

### Application

- Applicable ONLY to Tintable Base
- When applying coloured sealer, a paint tray and solvent resistant lambswool roller must be used
- For application of sealer, refer to Dulux Avista Concrete Sealer Tintable Base TDS.

### Specifications

<b>Solids:</b>	30 – 60% by weight depending on colour.
<b>UV Resistance:</b>	Very Good
<b>Solubility:</b>	Not dispersible in water (dispersible in most paint type solvents).

### Uses

When mixed with the Dulux Avista 19 ltr Tintable Base:

- Re-colour plain or decorative concrete surfaces.
- Re-fresh coloured concrete

### Features

- Affordable alternative to concrete/paver paint
- Mask blemished concrete

### Colour

Available in a range of colours.

### Usage Rate

1 Litre Dulux Avista Colour Tint per 19 ltr Dulux Avista Concrete Sealer Tintable Base.

### Limitations

- Where possible, matching batch numbers to be used.
- Not for use with water based sealers.

### Storage

Store in cool, dry conditions.

### Shelf Life

18 months, if kept unopened and stored in cool, dry conditions. After this time, product should be checked to ensure its suitability for use.

#### Important notice

A Safety Data Sheet (SDS) and Technical Data Sheet (TDS) are available from the Dulux Avista website [www.duluxavista.com.au](http://www.duluxavista.com.au). Read the SDS and TDS carefully prior to use as application or performance data may change from time to time. In an emergency, contact any Poisons Information Centre (Telephone 131 126 within Australia) or a doctor for advice.

#### Product disclaimer

This Technical Data Sheet (TDS) summarises our best knowledge of the product, including how to use and apply the product based on the information available at the time. You should read this TDS carefully and consider the information in the context of how the product will be used, including in conjunction with any other product and the type of surfaces to, and the manner in which, the product will be applied. Our responsibility for products sold is subject to our standard terms and conditions of sale. Dulux Avista does not accept any liability either directly or indirectly for any losses suffered in connection with the use or application of the product whether or not in accordance with any advice, specification, recommendation or information given by it.
